- 9% - Wild Cat (products)
- 6% - Sea Turtle
- 6% - Reptile
- 3% - Pangolin

FEEDBACK FROM VOLUNTEERS

“As a first time cyber spotter, I learned so much! It was actually a bit overwhelming as I did not fully understand the breadth and depth of the illegal wildlife trade. For example, the endless key words in different languages just to start. I'm sure this is just the tip of the iceberg, but I feel I will be better prepared for future rounds!”
